Reference: Amended Year End Report (12/1/09-12/31/09), received 3/9/10

Dear Ms. Della Rocco:

This letter is in response to your request for additional information, dated April 7, 2010.

Your letter indicates that the report referenced above disclosed addition receipts and disbursements when compared to the previously filed report.

In January of 2010, the Committee had a staff change shortly before the filing deadline. This, combined with an issue with the filing software, caused the Committee to file an incomplete report. The Committee hired an outside financial consultant to review the records and to assist with preparing and filing the corrected report. The above referenced report was filed once it was determined that all data was accurately entered into the filing software and that the filing software was accurately producing the corrected report.

The Committee believes that the above referenced amendment is complete and accurate and that no further amendments will be necessary.

Sincerely,

Dan Herren
Treasurer
